KC Mobility Scooter Rentals · Veteran-owned · Kansas City since 2023

A 10% mobility benefit for your members

A useful benefit for members who need a scooter or wheelchair for a trip, an event, an appointment or a visit with family. We are local and veteran-owned, and I answer the phone myself.

WHAT YOUR MEMBERS GET

10% off qualifying rentals. Mobility scooters, manual wheelchairs, knee scooters, transport chairs and rollators.

Delivered. Throughout the Kansas City metro, including local hotels, with pickup afterward.

Same-day when we can. We make every effort to fit in same-day rentals.

One local number. I'm Jeff Guzman, owner. I answer the phone myself.

HOW TO ADD THE BENEFIT

1. **Tell us where it will be listed,** such as a member benefits, deals, discounts or preferred-vendor page.
2. **We send the wording,** the discount information and a direct booking link, ready to add.
3. **Members book and pay us directly.** We handle the rental, delivery, payment and pickup.

WHAT IT COSTS YOUR ORGANIZATION

Nothing. There is no referral commission and no contract. The benefit is simply something your organization can offer members who need temporary mobility help. We are a hospitality rental, booked like a hotel or rental car, and we do not rent electric or power wheelchairs.
