KC Mobility Scooter Rentals · Veteran-owned · Kansas City since 2023

A local accessibility answer, for visitors and for planners

We're a local, owner-operated mobility rental company. If a visitor asks whether they can manage the walking, or a meeting planner asks what is available for attendees who cannot, this is the name to hand them.

WHO WE ARE

Local and veteran-owned. I'm Jeff Guzman, owner of KC Mobility Scooter Rentals, and I answer the phone myself.

Not a broker. We own the equipment and deliver it ourselves. Nothing is subcontracted out to a national call center.

A hospitality rental. We're booked like a hotel or rental car. That keeps this simple for you to point at.

Seven days a week. If someone needs it today, we make every effort to fit it in.

WHAT WE ACTUALLY STOCK

- Mobility scooters: 3- and 4-wheel, travel and full size
- Manual wheelchairs and lightweight transport chairs
- Knee scooters and rollators
- No electric or power wheelchairs. We will tell a visitor that plainly rather than take the booking

OPTION 1: LIST US AS A VISITOR RESOURCE

1. **Add us wherever the question comes up,** such as a visitor guide, an accessibility page or a meeting-planner resource sheet. We provide the listing and a direct booking link.
2. **Visitors book and pay us directly.** We handle delivery and pickup; it never becomes your billing or liability problem.

OPTION 2: A MEMBER BENEFIT, IF YOU RUN A BENEFITS PROGRAM

If you have a member benefits, deals or preferred-vendor page, list us there instead: your members get 10% off qualifying rentals and book and pay us directly. There is no referral commission involved. We provide the exact wording, discount information and a direct booking link.

WHAT IT COSTS YOUR ORGANIZATION

Nothing, and there's no commission either. This is a resource arrangement: no referral fee for these referrals, no contract, nothing to reconcile and nothing for compliance to review or disclose. The person you point to us books and pays us directly, and we handle the rental, the delivery and the pickup.

LIST US AS A MOBILITY RESOURCE

Add KC Mobility as a mobility or accessibility resource on your website (a guest-services, visitor, resident or employee resources page, wherever it fits), and we'll provide the wording and a direct link, plus printed cards where they help. When someone you serve needs mobility help, you have a reliable local number to give them.
